

## ***Go ahead and join us... The Sir Veza's Crew!***

Sir Veza's Taco Garage, Tucson's newest and hippest (is that a word?) restaurant and bar, is about to open on The Strip! The Speedway Strip that is, and to be exact, at the corner of Speedway and Swan.

Featuring great margaritas, cerveza, and tequila with a drink menu designed by Tequila recipe whiz kid R. Flores (well, maybe he's not a kid anymore) Sir Veza's will also have some of Tucson's best tacos, burritos, burgers, wings, and salads, all created by Chefs Carlotta Flores and Michael C. Brown.

And while the food will taste great, just wait to see how the place will look...

With giant garage doors that will roll up over a custom designed bar by Tucson's own Johnny "Vegas" Sewell of Hi Speed Rods & Customs and a special separate Corona & Cuervo Corner bar designed by J.T. of Flywheel Inc., this place will be the most rockin' taco bar anywhere in the USA! With a dozen flat screen t.v.'s and great auto related design features throughout, this won't be just another taco stand, this will be The Garage to fix your hunger and quench your thirst for something new and exciting.

But why stop there? And why would we ask you? Why?

Because WE WANT YOU involved! Or at least, we want your car to join the **Sir Veza's Crew!**

What's The Crew? It's kind of like a big family who love cars, bikes, tacos, and cerveza!

We are looking for great pictures of local cars, kustoms, and bikes to put on our menu covers!

***Yes, we will have a different car on every menu  
and wouldn't it be cool if one (or more) was yours!!!***

Sorry folks, cars and bikes only... Unless you own a really cool plane with flames and a shaker hood?!

And we have some specifics for you all to read so please turn to page 2 and get your baby (car) all washed up and cameras ready because you don't want to miss being a member of The Sir Veza's Taco Garage Crew!

To submit your photos or if you have questions, please email them to: [thecrew@SirVezas.com](mailto:thecrew@SirVezas.com)

***Remember, photos must be at a minimum of 8x10 in size and at 300dpi (or greater)  
because we want your baby to shine as much as you do!***

Gracias Amigos!

Mr. Sir Veza

### ***Sir Veza's Crew*** Guidelines:

- Cars or Bikes submitted for The Crew photo project must be considered "Hot Rod, Rat Rod, Muscle Car, T-bucket, Resto-Mod, Lowrider, etc." and must be considered "Classic/Well Preserved" or "Customized/Enhanced." Please, no vehicles made after 1979 and any vehicles prior to 1949, must be a modified custom version of the original. For example a 1932 Ford must be submitted as a T-bucket or roadster versus a classic "original" version of that year.
- The Sir Veza's Crew assumes no liability or responsibility to the cars value or projected worth.
- Owner agrees to allow Sir Veza's to use his/her car image as needed within the context of restaurant promotions, menus, interior design, etc. The photos will not be used for monetary gain by Sir Veza's other than as promotional tools and will not be sold.
- The photos must be submitted ELECTRONICALLY via email or posting directly onto the Sir Veza site OR by dropping them off in other media form such as CD or Flash Drive. We ask that your photos be 4 color or black and white with at least a **minimum size of 8x10 inches at 300dpi**. Any questions, please contact us at [thecrew@SirVezas.com](mailto:thecrew@SirVezas.com)
- Sir Veza's will not be responsible for returning any originals or media forms to you as owners, therefore, if possible please email your photos in good high resolution or burn a copy onto a cd for our use. The email for this is [thecrew@SirVezas.com](mailto:thecrew@SirVezas.com)
- We encourage Car Clubs in the area to submit photos as long as they do not have persons, pets, or advertising of any sort in the picture (unless approved specifically by The Crew at Sir Veza's). The Car Club may also submit their logos (as long as they aren't offensive) and Sir Veza's will consider using them as well based on the rules stated above pertaining to clubs. It would be best if the car did not show the license plate number and if it is, we will Photoshop it out of the image.
- Sir Veza's will invite all persons joining The Crew and submitting a photo to all special events and promotions via email, so long as we have a current email and approval to do so on file. For more info on Sir Veza's visit [www.sirvezas.com](http://www.sirvezas.com)

I have read the above and accept the terms and conditions:
